

Welcome to our school

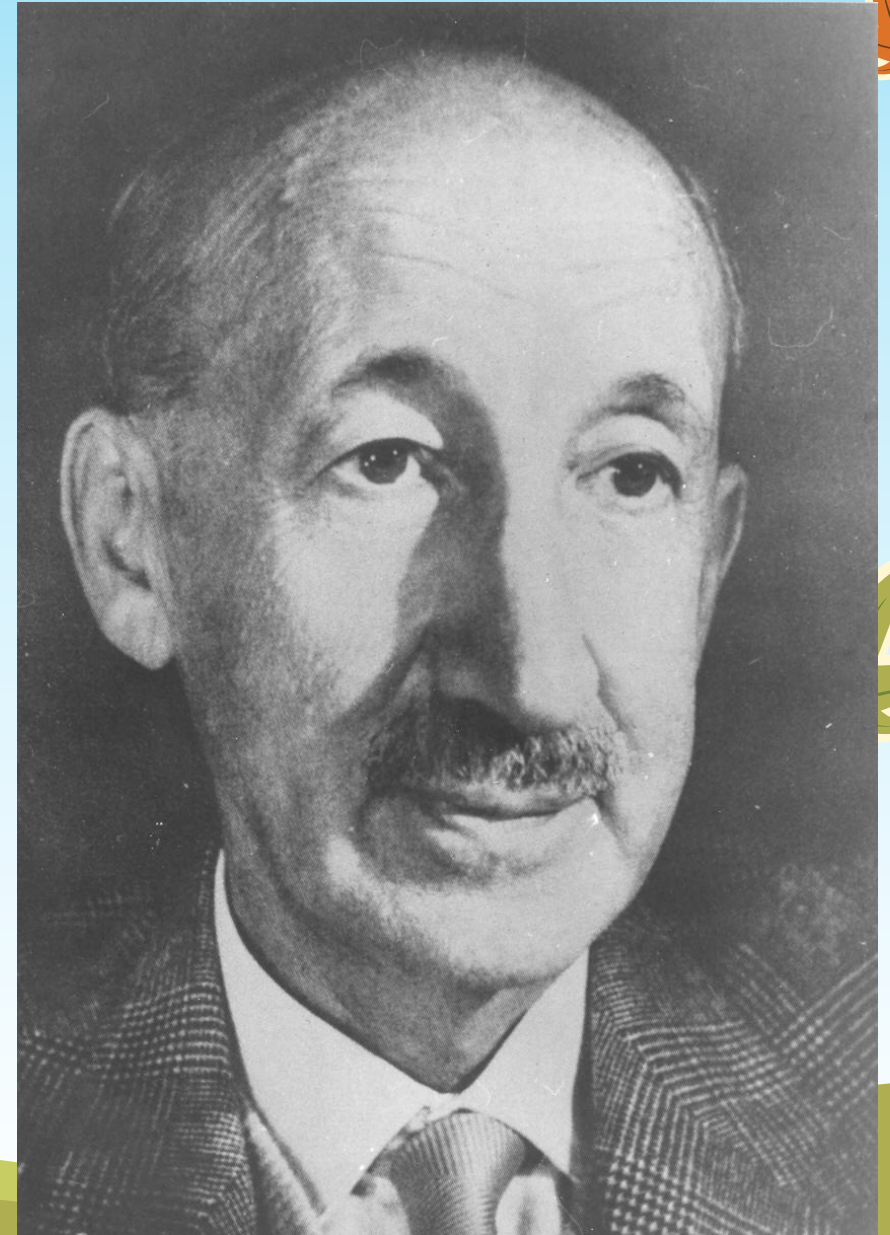

Turai Hevesy György
Általános Iskola

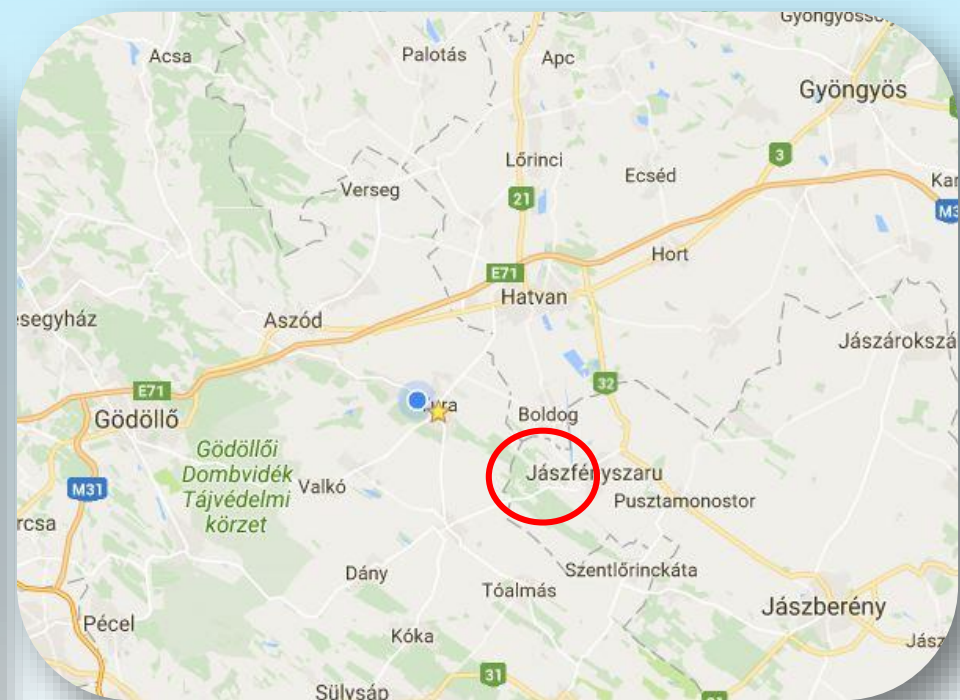

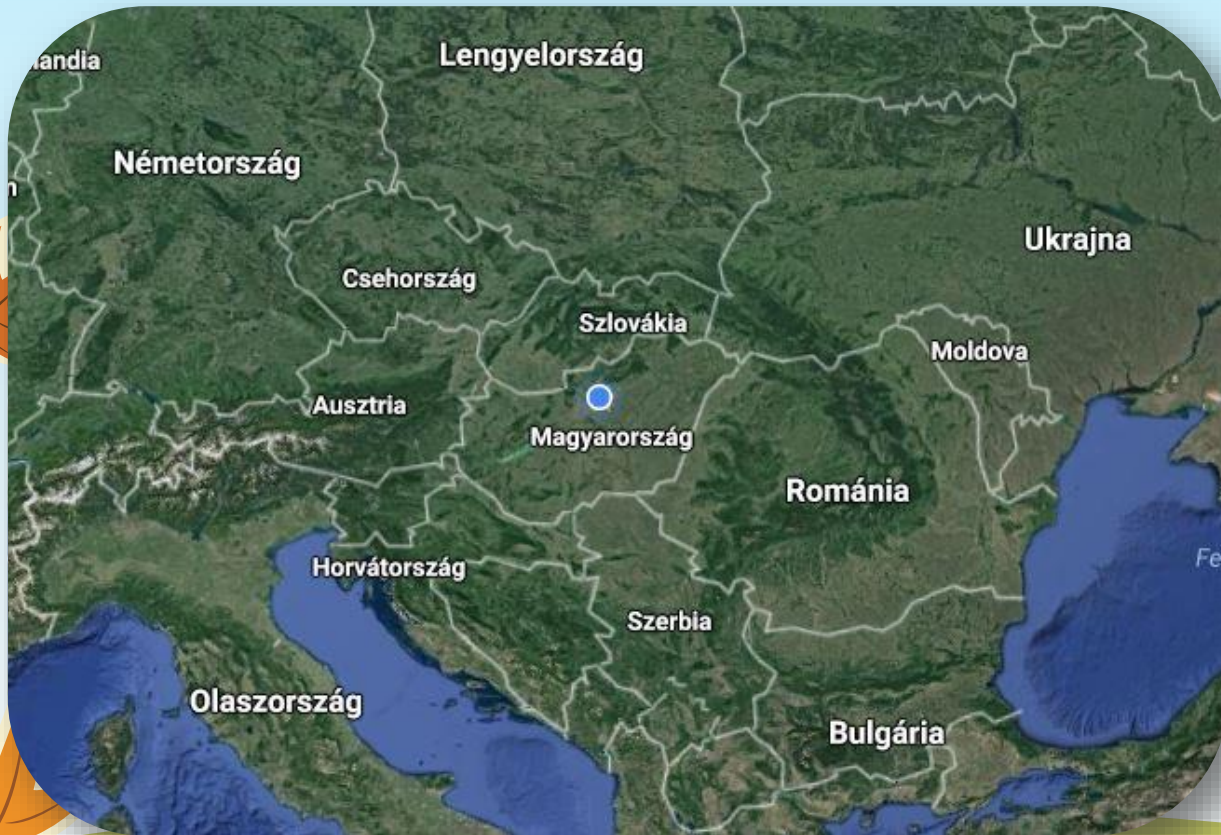

Erasmus+

Our school was named after the famous scientist Hevesy György, who won a Nobel Prize.

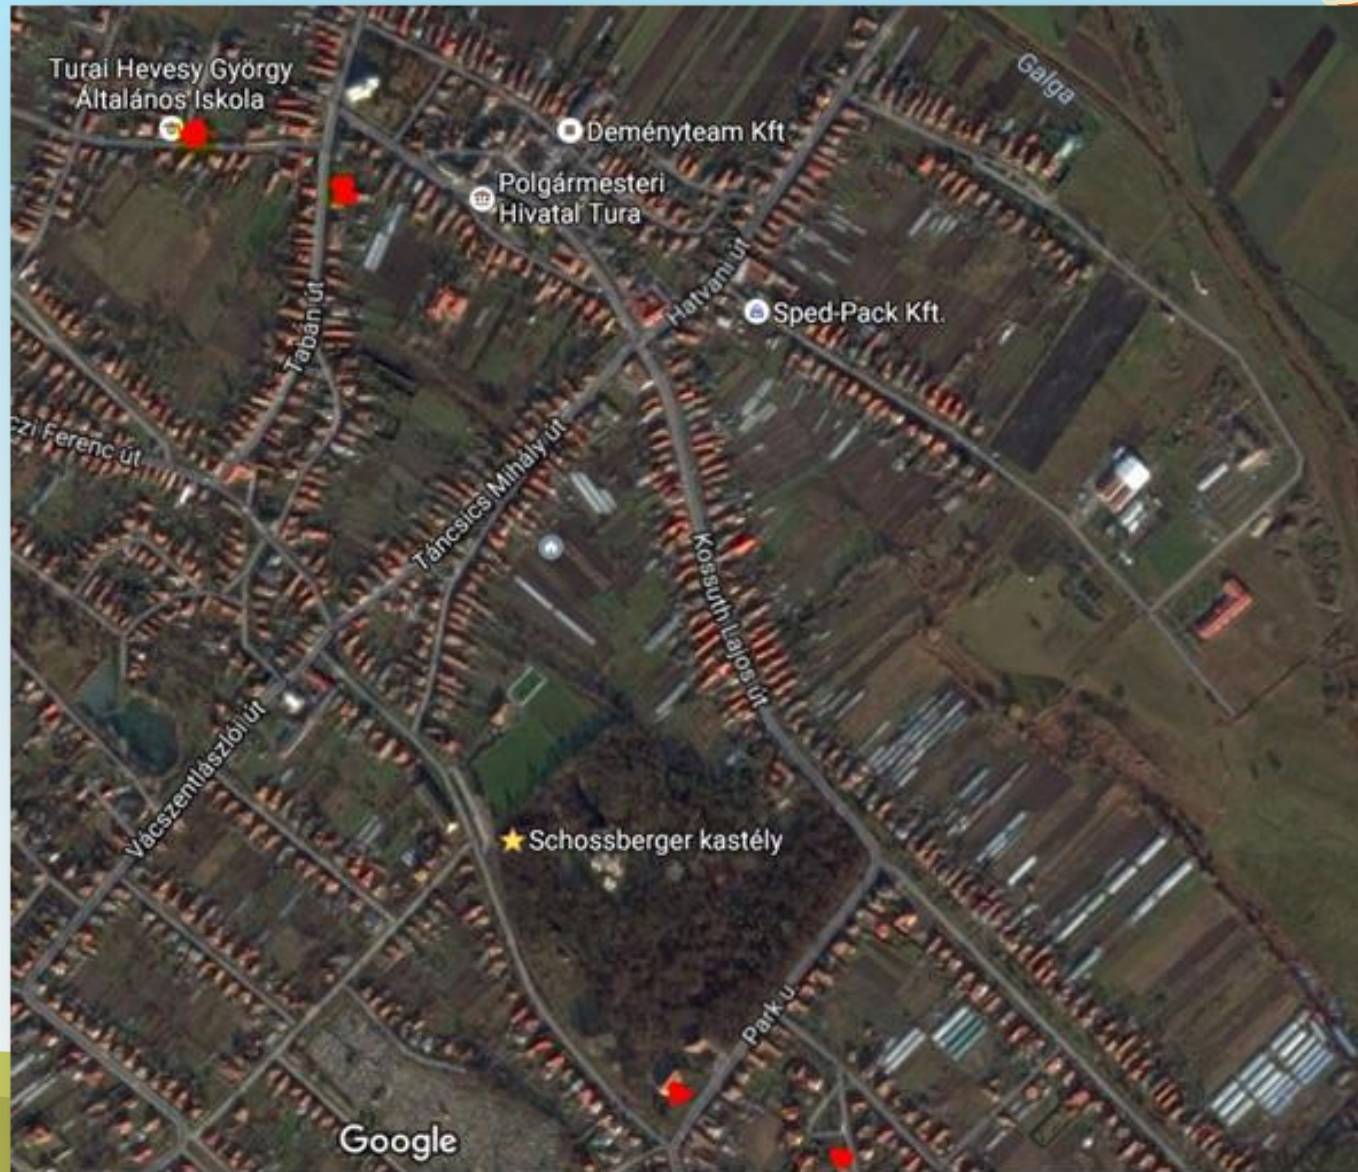

This is where we live

Erasmus+

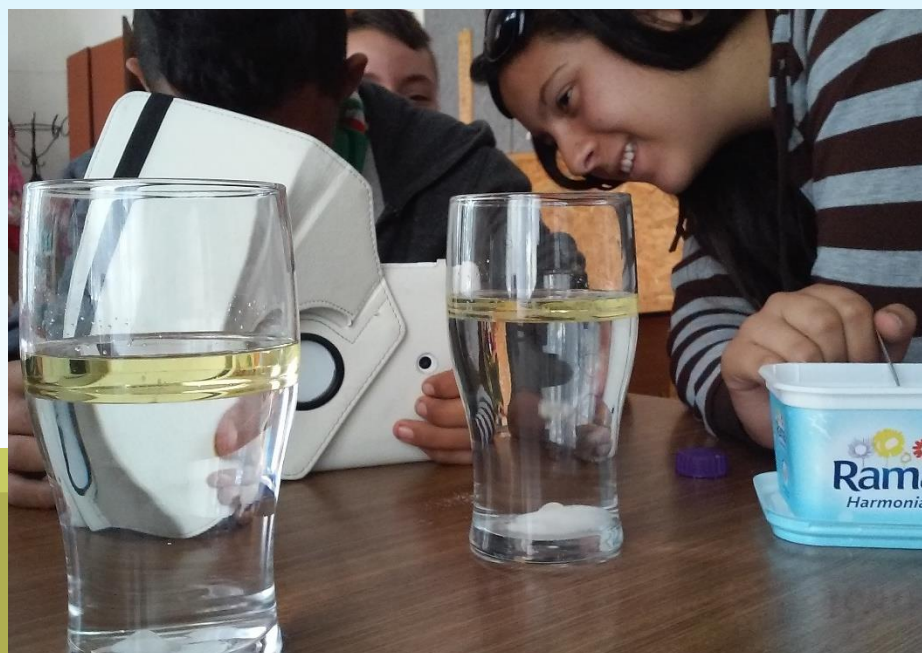

The school consists of four different buildings situated in different areas in the town.

Erasmus+

We prefer learning through interactive ways, focusing on experimental learning.

Erasmus+

We are obsessed with sport activities
in the nature.

Erasmus+

Erasmus+

We fight against pollution

We have special programs for protecting endangered plants and flowers at risk of extinction, as “Bulbocodium”.

Erasmus+

Erasmus+

We will conquer space itself!

Erasmus+

Teamwork is the best

Erasmus+

We are a friendly, happy and safe school.

Erasmus+

We believe in fairy tales

We are not afraid of work

Erasmus+

Digitális Témahét PROJEKTEK ÉRDEKLŐI ISKOLA 2016

We like using the info-communation technology.

Within the InnoTeach project we can:

- Exchange experiences among European colleagues
- Develop our knowledge in innovative teaching
- Making innovation work
- Give chances for our students

Erasmus+

Thank you for the
opportunity to take
part in the project
„InnoTeach”!
